

VIVID Sydney 2020

If there's one place in the world where creativity, innovation and technology shine bright, it's Vivid Sydney, a festival of Light, Music and Ideas.

Each year Vivid Sydney brings together light artists, music makers and brilliant minds to share their creativity with you. The festival celebrates Sydney as the creative hub of the Asia-Pacific with large-scale light installations and projections.

Heading into its twelfth year in 2020, Vivid Sydney is the largest festival of its kind in the Southern Hemisphere and the largest event in Australia.
